Kfz-Gutachter Bobb

What did the website check find?

Checked on 6 November 2026 at 23:53 (CET).

All 12 pages we checked opened.

The name “Kfz-Gutachter Bobb” appeared on every page.

How can customers get in touch?

Every page had links for phone, email and WhatsApp. We did not call or send a message, so we do not know if anyone answered.

What does the website say about the business?

The website tells search engines it is an automotive business. The words “Kfz”, “Gutachter” and “Karlsruhe” appeared on all 12 pages. This includes the menus and the text at the bottom of each page.

Do I need to change anything?

We ran 157 individual checks. None found an error or a warning. They give you no repairs to make on these 12 pages. The city pages were outside this check.

Does an AI recommend this business?

This report leaves that question open. Run an AI check and ask, for example, “Which vehicle appraiser would you recommend in Karlsruhe?” See whether the answer names or recommends your business.

Which pages did we check?

We found 66 addresses on the website and checked 12 of them. Select a page name to open the page as it looks today.

What else remains open?

We did not check whether Google lists these pages or where they rank, what other people say about the business, or whether its professional claims are accurate. We also did not test how the pages work or how quickly they load on a phone.

What could you check next for Karlsruhe?

Check the Karlsruhe page on its own. See whether customers can find your service, location and a way to reach you on that page.
